## Tip to prevent Delays

When you phone Camping World employees, frequently you will be told you cannot cancel your Extended Service Plan because it does not belong to you, it belongs to your lender. That's a lie.

However, if the selling dealer affixed your lienholder name, your refund check must be made payable to your lienholder.

Accept the payment. Send the refund payment to your lender as partial payoff of your loan. If your loan is 180 month maturity at 6.74% you will save \$1,710 interest cost over the remaining life of your loan.
